Prominent Young Man Of Sonoma Valley Claims Bride

El Verano Man Fatally Injured In Auto Accident Tuesday

ARTHUR KUNDE WEDS MISS C. HOUWELING IN SAN FRANCISCO

Palace Hotel Scene of Charming Wedding and Dinner; Honeymoon Will Be Spent In North.

Last Saturday evening in San Francisco Miss Catherine Houweling, beautiful San Francisco girl and former employee of the Southern Pacific, was united in marriage with Arthur Kunde, popular and wealthy young vineyardist of Sonoma Valley. The ceremony was performed by Rev. Father Lang at his parochial residence in the presence of the immediate families of the contracting parties.

The bride was, indeed, one of the loveliest of June, and in her white satin wedding gown, with lace flounce set on with a band of pearls and wearing a veil and coronet of orange blossoms, she made a most charming picture. Her bridesmaid, a sister, wore orchid georgette trimmed with ostrich. The bridegroom was attended by Walter Hefty of Melitta.

Immediately after the ceremony the bridal party was driven to the Palace Hotel, where a half hundred friends were awaiting them in the French room, where an elaborate wedding dinner had been prepared. Mrs. Houweling, mother of the bride, received the guests and was becomingly gowned in black lace with jet ornamentation. An orchestra furnished music for the wedding feast, and for dancing between courses. An elaborate menu was served, the large banquet table being resplendent with candelabra, with pink shades and festooned with flowers in the pink and gold tones. A handsomely decorated bride's cake added to the festively appropriate appointments. Toasts and speech making, with abundant good wishes to Mr. Kunde and his bride were in order and after the felicitations music and dancing continued until a late hour.

The bride and groom went to Portland and the North on their honeymoon in Mr. Kunde's new sedan.

They will return to make Wildwood their home, the commodious residence at Los Guilicos having recently been renovated and improved. A ball room is one of the new features of this fine place, where bride and groom expect to be at home shortly and entertain their many friends.

The bride is the daughter of Mr. (Continued on Page Four)

MRS. ANDREW SMITH ENTERTAINS CLUB

On Wednesday afternoon, at her home on Second Street East, Mrs. Andrew J. Smith was hostess to the Junior Bridge Club at its regular monthly meeting. Seasonal flowers and greens artistically decorated the room, where members of the club spent an enjoyable afternoon at cards, Mrs. Neal Dodge winning first prize, and Mrs. Otto Dresel, consolation.

At the conclusion of the bridge game, Mrs. Smith served dainty refreshments.

The Junior Bridge Club had as its guest Wednesday Mrs. Cadan, wife of George Cadan, Santa Rosa banker.

Capon Eggs Latest, Toy Orders Some

The capon is a fine bird, for eating purposes. And a bird of a story is being told on Harvey M. Toy, chairman of the State Highway Commission, who, accompanied by his friend, Mr. Hopkins, of San Francisco, attended the cattle show at Valley Ford last week. Impressed by the size and appearance of a fine pen of capons displayed there, to which some wag had pinned a neatly worded sign, "Capon Eggs For Sale," Toy attempted to buy a setting, it is said, and have them shipped to him in San Francisco for hatching purposes. The capon will "mother" a brood of chicks, but poultrymen are agreed that the capon lays no eggs. There is no record of a setting of capon eggs ever having been successfully hatched.

AUTO ACCIDENTS OCCUR TUESDAY

Two minor automobile accidents occurred Tuesday afternoon, and while not serious, might have resulted in severe smash-ups but for the presence of mind of the driver in each case.

C. S. Spiller of Sebastopol was struck broadside by George Burn, of Vineburg. Spiller was going south on First Street East and was just turning to the left into Napa street when Burn, rounding the corner in the other direction, struck Spiller's car, a Buick, smashing the running board and damaging the windshield frame.

H. D. Burmester had a front wheel of his Ford shattered when it came into contact with the rear spring shackle of J. Coulter's Rickenbacker, as he was backing away from the curb in front of Robinson's tire shop on Napa street.

Tuesday evening Mrs. Nancy A. Smith of Sonoma, and C. Walker of Glen Ellen had their cars considerably damaged when they collided on the Trinity road near the old highway. Walker sustained several lacerations of the scalp as a result of the collision, which were treated by Dr. A. M. Thomson.

Another smash-up occurred in front of Locarnini's garage, El Verano, when R. Fest collided with a car belonging to W. Wisenger, driven by his wife. She was slightly hurt, and while Fest sustained no injury, both front wheels of his car were broken.

VISITING AT THE JACK LONDON RANCH

Spending the week with Charmian London, painting on the Jack London ranch, are Gertrude Partington, Albright and H. Oliver Albright. Mr. Albright was awarded the gold medal for oil painting in the 48th annual spring exhibition of the San Francisco Art Association. His picture "Tanglywood," has already been sold to Mr. Hunsberger, San Francisco. Mrs. Albright is a member of the faculty of the California School of Fine Arts. Seagrave Apparatus Decided Upon By City Trustees After Rejecting Bids

An adjourned meeting of the Board of Trustees of Sonoma was held at the city hall Wednesday evening, all members being present with the exception of H. F. Bates. Various matters were brought up, but the principal business before the board was the proposed purchase of a new fire engine for the City of Sonoma.

Trustee Dobbel introduced a resolution recommending the rejection of all bids which had been made by several companies, and buying in the open market, instead, and when put to a vote all trustees signified in favor of this plan. Trustee Valente then stated that the board had decided on the Seagrave engine, which was demonstrated here several weeks ago, and introduced E. S. Irwin, representative of the Seagrave Company, who conferred with the board and City Attorney Postlewaite regarding the purchase of the new fire fighting apparatus.

Sonoma now has one fire engine, but has long felt the necessity of a larger and more up to date engine which will assure greater safety to residents and property owners, as well as making available an engine for use outside the city limits should occasion arise. Through the efforts of Fire Chief Valente and R. C. Specht, a subscription list has been circulated throughout the city and valley, and the sum of approximately \$2000

has been raised, which will be used to make the initial payment on the new fire engine, the balance of which is to be paid by the city.

The Seagrave "Suburbanite," which will be purchased by the City of Sonoma, is considered one of the most efficient fire engines on the market for small cities. It has a six cylinder motor, extra heavy pressed steel frame and metal disc wheels. The pump is a Seagrave centrifugal, having a capacity of 350 gallons per minute from a 10 foot lift, and 30 per cent more from a 50 pound hydrant. One 2 1-2 inch quick acting discharge valve with 2 1-2 inch hose connection is provided on each side of the machine, while a 3 1-2 inch suction connection is provided at front of the machine.

Equipment includes one solid side extension ladder composed of two 12 foot sections and extending 20 feet; one 12 foot roof ladder with folding hooks; chemical tank of 35 gallons capacity; two 10 foot sections of 3 1-2 inch drafting and hydrant hose; two portable extinguishers; two fire department lanterns; one 9 inch revolving searchlight mounted on the dash, and an electric siren horn.

With the addition of this new unit Sonoma will have a fire department as well equipped as any city of its size in this section of the state. It is expected that delivery will be made about July 15th.

Prices For 1925 Grape Crop Fixed

Opening prices on 1925 juice grapes are practically unchanged from those of last year. The most marked variation is that on Alicante Bouschet and Petit Bouschet grapes, which were fixed at \$85 and \$75 per ton for No. 1 and No. 2 grapes, \$10 lower than the opening a year ago. This decline is balanced by a change in classification which brings Grand Noire, Alicante Gamin and Lenoire into Class 1, at \$85 and \$75, as compared to \$70 and \$60 last year. Petit Sirrah grapes are lifted into Class 2 and priced with Missnoir, Mataro and Carignans at \$70 and \$60, a scale unchanged for the last three varieties but representing a \$10 raise on the Petit Sirrah. Zinfandel and other black grapes of that class are unchanged at \$60 and \$50 per ton.

NATIVE SONS TO DEDICATE FOUNTAIN

Tomorrow (Sunday) in connection with the special Flag Day exercises to be conducted by Sonoma Parlor, N. S. G. W., the newly constructed drinking fountain in the northeast corner of the Plaza will be dedicated to the Native Sons of the Golden West. Senator Herbert Slater of Santa Rosa will be the special speaker for the occasion, and make the dedication speech in the presence of a large crowd of people who will attend the dedication, including Santa Rosa, Petaluma and Sonoma Parlor of Native Sons and the Santa Rosa Elks.

Prior to the exercises in the Plaza the officers of the various Parlor as well as the state officers of the Native Sons will be entertained at dinner at the former Joe Hooker ranch, at Agua Caliente, now owned by J. P. Serres.

The new fountain, designed by Paul Robin, Sr., is an unusually attractive piece of workmanship. It is constructed of the red rock native to the hills of this region. The structure is composed of four pillars in a square with stone seats connecting them. There will be an overhead structure of redwood beams, giving the whole the appearance of a pergola. The fountain proper is in the center of a cone shaped rock base within the four pillars.

The Native Sons are to be congratulated for their fine spirit in erecting the fountain, as it greatly adds to the appearance of the Plaza in the vicinity of the Bear Flag monument.

"BETTER HOMES"

DEMONSTRATION

The movement for better homes has been joined by the club women and Sonoma is to get a practical demonstration of the work. The picture, "Home, Sweet Home" will run at the Don, June 17 and 18.

WILLIAM BRENNAN DIES AS RESULT OF FRACTURED SKULL

Two Others Are Injured When Tire Blows Out On Machine and Driver Loses Control.

William Brennan, 54 a pugilist employed at Parente's Inn, El Verano, died at San Rafael Tuesday night of injuries received when he was hurled from an automobile truck on the Black Point cut-off near the Sonoma county line, when the machine crashed into a bank. Striking on his head on the ground and pinned between the bank and the truck, Brennan suffered a fractured skull and internal injuries.

Brennan, with Pete Finnegan and Burk Adams, both pugilists, was going to San Francisco, where Finnegan was to appear in a ring exhibition on Wednesday night. They were riding in a truck, with Adams driving, from Parente's, where Finnegan had been training.

Just after crossing the Marin county line, a tire blew out, and the driver lost control of the machine, which crashed into the bank. Brennan was hurled from his seat to the ground. The machine did not turn over and the other two were unhurt.

Dr. Harry Kramer, a San Francisco dentist, who was passing, rushed Brennan to the emergency hospital at San Rafael, where he died at 8:30 p. m., five and one-half hours after the accident.

Brennan has been employed at Parente's Inn for some time, and had many friends in Sonoma Valley who were shocked to hear of his fatal accident. He was not married, but leaves a mother and sister to mourn his tragic death.

WALTER CARTER WINS IN CONTEST

Walter Carter, who won the county oratorical contest given under the auspices of the Christian Endeavor at Glen Ellen recently, went to San Francisco last Sunday where he won the district contest, in which seven counties participated. As a result of his double victory, the young man will receive a free trip to San Diego to the state convention, which will be held June 24th to June 29th.

TOMORROW'S LANDMARK CEREMONY

The perpetuation of California landmarks means more than sentiment or local pride—it is a tribute to present

day civilization and its background and points out the story of our use as a nation on the Western frontier.

The history of Sonoma County alone, where more history has been written than in many entire States of

our Union, is not confined to narrative. Time has not obscured nor eradicated spots where history was enacted and where great characters in the upbuilding of the County played their parts. The scene of stirring drama which antedates this generation is all around us.

The Native Sons of California appreciative of this fact and proud of the soil from which they sprung have dedicated themselves to the task of marking famous places and commemorating the places in California where our pioneer heroes lived.

It is fitting, therefore, that tomorrow the Grand Officers of the Order should lead a pilgrimage into Sonoma Valley, site of the last Mission which checked the inroad of designing Russians early in the last century; home of sturdy pioneers such as Fremont and Hooker; territory of the far-seeing, statesman-like Vallejo, the friend and counsellor of America, representative of Mexico though he was; rendezvous of hardy, spirited, impulsive pioneers of the Bear Flag episode; and headquarters of constituted Yankee authority in the early forties.

Let us unite in commendation of the sons of California who tomorrow will pay fitting tribute to Sonoma Valley and the stamping ground of some of the nation's most illustrious figures.

PRETTY WEDDING AT THE VALLEJO HOME

On last Sunday a very pretty wedding took place at the Vallejo home when Miss Louise McBride, niece of Mrs. J. D. Crane, and Stanley Norvicki, both of San Francisco, were united in holy matrimony in the presence of immediate relatives and a few close friends.

At high noon the bridal party took its place under the large trees which make the Vallejo home such a beautiful spot, and Rev. Father Byrne pronounced the words which united the young couple. Miss Vivian Kantlen was bridesmaid, Walter Bradley attended the groom and little Besby and Bobbie Holmes were ring bearers.

The bride was beautifully attired in a wedding gown of orchid shade lace over pink, with picture hat to match, her bridal bouquet being composed of lilies of the valley, bride's roses and orchids. The young bride, who is a beautiful brunette, was very charming in her wedding gown. The bridesmaid wore a gown of apricot over pink with hat to match and carried a bouquet of pink baby roses.

Following the ceremony the bridal party went to Agua Caliente Hotel where a sumptuous wedding breakfast was served. One corner of the dining room had been converted into an arbor and artistically decorated with olive branches, Woodwardia fern and flowers. Covers were laid for 17 guests. The menu consisted of fruit cocktail, salad and relishes, cream of celery soup, stuffed chicken squab, asparagus, mashed potato, hot biscuit, ice cream, wafers and coffee, followed by a beautiful and delicious bride's cake. Toasts, speeches and repartee and music were enjoyed. Mrs. Lulu V. Emparan singing "Oh, Promise Me." Mr. and Mrs. T. H. Corcoran received much praise for the delicious repast and were highly complimented on their hospitality.

At the conclusion of the wedding breakfast the bridal party and guests went to the Crane residence, where the afternoon was spent, the newlyweds departing later on their noon trip to Tijuana.

What Part Does the Shoe Play In Prevention and Cure of Foot Ills? Consult Your Local Practicapist.

To forget your feet as many sufferers will acknowledge, is neither wise nor prudent, for the fact is that no part of the anatomy is more sensitive and receives less consideration and care, and suffers more in consequence than the foot.

There are no shoes made that are cure-alls. There are numerous types of arch support shoes being sold which have merit, but an evil exists when the public is permitted to believe these shoes to be cure-alls. Your trouble may be in the anterior metatarsal arch, across the ball of the foot; the arch support shoe will not correct this trouble because it is built to support the transverse arch and the inner longitudinal arch, and nine persons out of ten have anterior metatarsal trouble, which is right across the ball of the foot, causing the spreading of these joints, creating callouses on the ball of the foot, and starting enlargement of the big toe joint which later develops into a bunion.

The most direct and sure way of correcting foot ills is by going to your local practicapist, who has made a study of the anatomy of the foot and its corrective appliances. You will save yourself lots of suffering and a good many dollars. The corrective appliance will cost you less than one half the price of the so-called arch support shoe, and you will have the advantage of being able to wear any style shoe you choose, because they

will fit any shoe.

In buying foot appliances it must be understood that the foot be examined by one who is qualified to diagnose the case and locate where the trouble lies, then the proper appliance is fitted and immediately relief is acquired, causing one of the most pleasant feelings experienced in a long time. This is real service and genuine help, and the sufferer is assured of permanent comfort.

A graduate practicapist of the American School of Practicapies is at your service, examination and advice free.

What promises to be the biggest and most wonderful show given in the Sonoma Valley for some time is the performance to be given on Sunday June 21st, at Agua Caliente Springs bath house by the Society of American Musicians.

Forty magicians and their families will picnic over the weekend at the hotel and co-operate with the management in presenting a big show on Sunday, June 21st. This organization has as its members a number of prominent men whose hobby is mystifying folks.

Joy Trail Opening

A jolly crowd at Agua Caliente enjoyed the new Joy Trail during the week end. Only games of skill that are full of fun are featured here and anyone has no difficulty in deriving great amusement from them. The biggest fun hit on the Joy Trail is the mystic ladder, or the ladder that will not behave. The crowd laughs at the efforts of those who try to climb the ladder, but the big kick comes to the person who tackles it. From time to time other new fun games will be introduced and the Joy Trail promises to be one of the most popular spots in the valley.

Caliente Swimming Club

A new club is being organized at Caliente to hold races and other water sports during the coming season. Samuel gold, swimming instructor at Caliente, is manager of the club, T. H. Corcoran president, and Charles Perkins is starter. It is planned to hold races on holidays, as well as diving contests.

Those comprising the club at present are: Morris Gold, Sidney Gross, Davie Cohen, Duke Fober, Herbert Gold and Everett Sprague. Anyone wishing to join may do so by leaving their name with Mr. Perkins, at Caliente bath house.

Barnyard Golf Tournament

A horseshoe pitching contest under the direction of Eddie Perkins, former Idora Park, Oakland, concessionaire, is being planned at Agua Caliente Springs, starting tomorrow, Sunday. Prizes ranging from a Ford car down to a bar of candy will be offered contestants, and some keen sport is anticipated.
